Although they were held to three hits, two doubles and a homer, the N. F. A. boys nosed out a close victory Saturday afternoon in the eighth and Saturday afternoon in the eighth and ninth innings from the strong Dingbats by the score fo 8 to 7. The real damaging clout of the game was delivered by Chick Stanley in the eighth when he pasted out a four sacker with a man on base, tieing the score, and in the next inning H. Hull came across with the winning run. with the winning run.

Kane pitched a corking game for the Dingbats, holding the N. F. A. boys to one hit up to the sixth inning, when he was relieved by Merlin. Kane, the "grand old man," was there with the club, clouting out two doubles out of three trips to the plate, and with his foxy little tricks caught many of the schoolboys asless at the switch on the

bases. Both Brickley and Benjamin were in the box for the schoolboys and were hit for five safeties, which were pretty well scattered, and with the inability of the Dingbats to run bases proved

not very dangerous.

Sam Crowe in left field made a spectacular catch in the eighth inning, running into deep left center, catching what looked like a sure hit, juggling it a few seconds, and then cinched it. The game, though slow, was the best seen on the Academy field so far this season and was marked by the number of bases on balls. Brickley and Benjamin gave eight free passes and Kane and Merlin four. Jack Chance played a sensational game at short for the Dingbats, fielding several hard hit balls, and his co-partner, Belair, on

balls, and his co-partner, Belair, on the keystone sack, made several noticeable catches over second base. How the runs were made that put the Academy in the lead: With the score 7 to 5 in the seventh, Stanley, the first man up, made no attempt to swing at three beauties that traversed the middle of the plate. Joe Hull sent a roller to McBurney, who fumbled. The best Captain Young could do was to knock one in the pitcher's box and with two out and one strike and one ball Chick Stanley took the heart out of the Dingbats by smashing a homer to left field, tieing the score. Mulkins grounded, Chance to Crowe. The Dingbats retired without any score in their half. H. Hull led off for the Academy with a safe at first through an error by Chance. C. Crowe sent a sizzler to Chance, who made a wonderful stop, but was unable to recover in time to get Hull at second, but he derful stop, but was unable to recover in time to get Hull at second, but he had the runner out at first. J. Crowe dropped the ball, Brogan filed to Belair. Brickley walked and W. Stanley sent what looked like a sure hit to left center, but Sammy Crowe nabbed it and doubled C. Crowe at second, but H. Hull scored from third with the winning tally. The Dingbats were held scoreless in their half of the ninth.

This week the Academy will play the State Hospital in a two-game series, Wednesday at the hospital and Saturday at the Academy campus

St. Louis, Mo., April 25.—St. Louis, playing errorless ball, defeated Pitts-burgh today 8 to 1. The visitors hit Doan frequently but could not break down the locals' excellent fielding. With six clubs in its circuit, the Eastern Baseball association will be-gin its season on May 12, was the an-nouncement made by President James H. O'Rourke after the adjournment of the meeting at the Atlantic hotel, Bridgeport, Saturday. Mr. O'Rourke said that the directors had decided not to divulge the names of the cities until a few days before the season opens. New Haven and Hartford will go without baseball for the season, it is apparent from the plans of the di-
